Synopsis

A bumbling maintenance crew finds a magical yellow bird and a mad chase begins!

Racing over land, across the sea, and through the air – battling pirates and monsters – how far will our heroes go... without ever leaving the maintenance room?

Join Liars & Believers on an adventure of masks, puppets, and gibberish.

In Yellow Bird Chase, we transform gloves, mops, buckets, and sheets into camels, cars, pirates, boats, and (of course) birds.

With the audience as our co-conspirators, we turn the rules of reality upside down.

Yellow Bird Chase reveals to audiences the power of their own imagination.

Yellow Bird Chase is appropriate for ages +2 and fully accessible to Deaf audiences.
