# Synopsis

**A bumbling maintenance crew finds a magical yellow bird and a mad chase begins! Racing over land, across the sea, and through the air - battling pirates and monsters - how far will our heroes go... without ever leaving the storage room?**

With masks, puppets, and gibberish, *Yellow Bird Chase* transforms everyday objects into camels, pirates, cars, boats, (and of course birds), revealing the power of imagination.

**50 min no intermission**

**Accessible to Deaf and non-English speaking audiences**

**Appropriate for K-12**
